THE PROBLEM

Great podcasters fly blind. Until now.

The best podcast conversations feel effortless. They're not. Behind every sharp follow-up is hours of prep. Behind every fact-check is a researcher. Most podcasters have neither.

HOW IT WORKS

Set up in 2 minutes.
Feels like a superpower.

FEATURES

Everything happening at once.
None of it distracting.

"The best podcast hosts seem like they know everything. They don't. They just never get caught not knowing it. PodPal is how you
